## Support the Library

You too can help support the library. Click the "Read more" link below to find 4 simple ways to help.

First, come to the Friends of the Library Annual Book Sale (or one of their mini-sales throughout the year) and take home lots of books! The funds raised by the Friends of the Library go directly to support library events and collections. If you are interested in joining the Friends or serving on their Board, please contact Joan States-Davidson at 251-981-4934.

Second, volunteer at the library. We have lots of ways that you can volunteer your time at the library. Whether it is through the Friends or more informally, we are happy to have you spend your free time here with us! Contact the library at 251-981-2923 to talk about what opportunities will suit you best.

Third, through our Adopt An Author program your monetary donation\* of \$20 will enable the Library to purchase an author's next new title published. Your contribution will allow you to adopt your selected author for a period of one year. If the author does not publish a new title within the year, your time will be extended until a book is published OR you may select a different author. When a title by your selected author becomes available you will be the first to read the book when it is added to the library's collection

Fourth, you can support us with donations which are tax-deductible\*. The library uses donations to support our activities beyond what the taxpayers fund. The growth of the Library collection depends on donations from the community to continue to expand. There are several forms of donations.

- 1. Donate using PayPal. There is a link on the Library website for your convenience when choosing this option.
- 2. Memorials and Honorariums which are given in someone's name. We are happy to work with you to ensure that funds are being used in a way that will honor that particular person's interests.
- 3. General donations which are not given in someone's name but can be used to support the library in numerous ways. They can be given with a specific purpose in mind or just as an open donation for the library to use to support its programs and services.

\*Donations are tax deductible to the extent permissible
